article#	**4303020**
article description	**lamp LED 40W 5617lm 1SSD 5mH07 3G1.5**
description long	- voltage: 220-240V~ - frequence:50-60 Hz - power: 40W - light current 5617 lm - luminous colour 5000 Kelvin - Dimensions:(BxHxT): 213 x 410 x 145mm - Cable: 5m H07RN-F 3G1,5 with safety plug - housing: 2-component plastic/rubber with handle - colour: (red/black) - IP54 - incl. switch (ON-OFF) and additional safety socket with lid on the side
GTIN (EAN)	9003399365256
country of origin	DE
customs number	94054940
net weight	2.480 kg
packaging quantitiy	1
minimum order quantitiy	1

https://www.pcelectric.at/shop/en/?func=detail&artnr=4303020

ETIM 10.0	EC000346
Lamp type	LED not exchangeable
Housing material	Plastic
Nominal voltage	220 – 240 V
With socket outlet	True
Degree of protection (IP)	IP54
Max. system power	40 W
Rated luminous flux according to IEC 62722-2-1	5617 lm
Colour of light	White
Colour temperature	5000 – 5000 K
Conductor cross section	1.5 mm²
Connection type	Other
Length of connection cable	5 m
