ÖVE-CERTIFICATE

including the entitlement to use the Austrian Safety Mark

Certificate No.: 43-254-01 Valid from: 2023 12 21

until: 2025 11 23

The Austrian Electrotechnical Association (OVE) hereby grants the right to the company mentioned below to label the listed products with the Austrian Safety Mark.

Certificate holder: PC Electric Ges.m.b.H.

Diesseits 145

4973 St. Martin im Innkreis

Austria

Product: Socket-outlets for charging of electric vehicles

The products submitted by the applicant were type tested in accordance with the requirements of the technical standards and specifications listed in this certificate. OVE certifies the conformity of the listed products and those products manufactured strictly identical to the submitted ones (EN ISO/IEC 17067, Conformity Assessment Scheme Type 5).

The manufacturing process and the products are subject to ongoing surveillance based on harmonized European procedures. This certificate has been issued under the presumption and conditional on the fact that the certificate holder holds all necessary legal rights with regard to the product, presented for the testing and certification.

Results of testing are shown in file No(s).: OVE-210794
